Centennial School has 185 days built into the 2024-2025 Calendar. If school is closed due to inclement weather or other emergencies that would result in fewer than 180 days of instruction or fewer than 990 hours of instruction at the secondary level/900 hours at the elementary level as mandated by state law, additional days will be added to the end of the school year. Conversely, days and/or hours of instruction will be removed from the end of the school year if the 5 built in days for inclement weather or other emergencies were not used. The last two instructional days of the year will be early dismissal days. Last updated 3/10/25
