February 8, 2022

Dear Centennial Staff, Parents, and Guardians,

This letter is to inform you that we were notified today that two individuals who were last in attendance at Centennial School on February 3rd (one individual) and 4th (one individual) have subsequently tested positive for COVID-19. Due to procedures related to privacy laws, I am limited in what I can say. I request you to also respect the privacy of our students and staff.

The Pennsylvania Department of Health (PA DOH) is responsible for all contact tracing. Centennial School will assist with contact tracing where indicated by the PA DOH guidelines. Staff members and students that are determined to be close contacts with these individuals will be directly contacted by the PA DOH or the Centennial School Nurse with instructions to quarantine.

There is no need, at this time, to close Centennial School for students and staff and school will continue as scheduled. We will continue to clean and disinfect, as appropriate. Our building remains safe for occupancy.

Please continue to report any exposures, symptoms, or confirmed COVID-19 cases to our school nurse, Maggie Ciliberti (macb19@lehigh.edu). If you have questions or concerns regarding your individual health and COVID-19, please contact your primary care physician.

Thank you for your cooperation and support.

Sincerely,

Julie B. Fogt

Julie B. Fogt, Ed.D.
