March 16, 2021

Dear Centennial Staff, Parents, and Guardians,

This letter is to inform you that we were notified this afternoon that two individuals that were last in attendance at Centennial School on March 8th have subsequently tested positive for COVID-19. Due to procedures related to privacy laws, I am limited in what I can say. I urge you to also respect the privacy of our students and staff.

The Pennsylvania Department of Health (PA DOH) is monitoring these individuals. The PA DOH is responsible for all contact tracing and school administration is assisting our public health officials with this endeavor. Staff members and students that are determined to be close contacts with these individuals will be directly contacted by PA DOH with instructions to quarantine. Close contacts are those who are within 6 feet distance for greater than or equal to 15 minutes with a person identified as a confirmed case with COVID-19.

There is no need, at this time, to close Centennial School for students and staff and school will continue as scheduled. We will continue to clean and disinfect, as appropriate. Our building remains safe for occupancy.

If you have questions or concerns regarding your individual health and COVID-19, please contact your primary care physician.

Thank you for your cooperation and support.

Sincerely,

Julie B. Fogt

Julie B. Fogt, Ed.D.
