March 23, 2020

Dear Centennial Parents and Guardians,

I am writing to provide new information and guidance regarding our response efforts to COVID-19. Today, Governor Wolf [announced](#) that all schools in the Commonwealth will remain closed through at least April 6th. Under the new timeline, school buildings would reopen on April 7 for two days to allow school administrators, teachers and other staff time to prepare classrooms, set up cafeterias, schedule transportation and arrange other business operations. Students would return to school on April 9, unless extending the closure is needed in response to the situation with the virus at that time. As of today, no changes to the school calendar have been recommended. You will receive an additional message from me alerting you to our reopening closer to that date.

Today, our teachers began providing distance learning to all of our students. One of your child's teachers will continue to reach out daily to provide distance learning opportunities to supplement the instruction that your child was receiving at Centennial School prior to the closure. We will continue providing learning activities for the duration of the school closure.

Thank you for your continued patience and support of one another as we navigate our way through these uncharted waters. We are all in this together. It is during these most challenging times I am filled with gratitude for our students, families, teachers, and staff who bring so much to our supportive, caring, and positive school community.

Please be safe and well,

Julie B. Fogt
